Dinajpur, Bangladesh

Professional Summary

Junior Flutter Developer with hands-on experience building cross-platform mobile applications using Flutter and Dart. Proficient in Clean Architecture, REST API integration, Provider state management, and responsive UI development. Passionate about writing scalable, maintainable code and delivering seamless user experiences.

Technical Skills

Languages: Dart, Python (Basic)

Architecture: Clean Architecture

Database: Firebase, Hive, Shared Preferences

Frameworks: Flutter, Provider

Backend & API: REST APIs, JSON Parsing

Tools: Git, GitHub, Android Studio, VS Code

Projects

Professional Task Management Application

Flutter, Dart, Provider, REST APIs

Personal Project

2026

- **Architecture & Development:** Architected and engineered a scalable task management application following Clean Architecture principles for strict separation of concerns.
- **API & State Management:** Integrated backend REST APIs for secure user authentication and implemented Provider for reactive UI updates and asynchronous data handling.

Clean Architecture Music Player

Flutter, Dart, Audioplayers

Personal Project

2026

- **Architecture:** Designed a modular music application cleanly separated into Domain, Data, and Presentation layers using Clean Architecture.
- **Media Playback:** Implemented background audio playback, playlist controls, and state updates using the Audioplayers package.

Money Management Application

Flutter, Dart, Provider, Local Storage

Personal Project

2026

- **Expense Tracking:** Built a finance utility application to track income, expenses, and manage categorized transaction histories seamlessly.
- **State & Persistence:** Utilized Provider and local persistence mechanisms to maintain persistent financial records and real-time calculation summaries.

Hangout Bangladesh (Travel UI)

Flutter, Dart

Personal Project

2026

- **Responsive UI:** Designed and developed a responsive single-page travel application showcasing tourist destinations across Bangladesh with smooth navigation.

Education
